Mr. Ward,

Dear Mr. Ward,

I am sending you herewith a list of the names of people and their addresses to whom I should like you to deliver copies of the leaflet you are printing for us. I append also the number of leaflets which each requires.

I should be very grateful if you also enclosed one of the enclosed letters in each bundle. Some of the bundles you will notice must be forwarded tomorrow, Thursday March 16th., so as to reach the people on Friday. The other bundles must get there by Saturday for distribution on Sunday.

Yours faithfully,

General Secretary of the
Anti-Partition of Ireland League.
